

INFECTION PREVENTION BULLETIN – INS QUÉBEC COMPLEXE

NOVEMBER 2022

HEALTH MEASURES

- Booster dose against COVID-19 is strongly **RECOMMENDED**
- Flu vaccine is highly **RECOMMENDED**
- Procedural mask is **RECOMMENDED** in the **Gym, technical facilities, locker rooms, when moving** and in **common areas**
- Procedural mask **MANDATORY** at all times at the **clinic**
- **Access questionnaire** still **MANDATORY** to enter INS Québec

RESPECT – It is important to demonstrate **kindness, understanding** and **respect** for :
Complex staff who work to reduce the spread of infections
People who choose to wear the mask

NOTE – If you have one or more **symptoms**, your entry will be refused. **OBLIGATION** to be evaluated by our nurse **BEFORE** coming at the Complexe. **DO NOT COME TO INS QUÉBEC**. Our nurse will contact you.

Inform testcovid@insquebec.org **as soon as possible** of any appearance of symptoms, a positive rapid antigen test, a contact at risk, etc.
